COMMISSIONERS COURT IS RECESSED FOR PUBLIC HEARING ON THE FOLLOWING:

AGENDA ITEM 17A1: Consider the partial replat of Lexington Heights, Section 1, as recorded in Cabinet Z, Sheets 9314-9317 of the Montgomery County Map Records, to be known as Lexington Heights, Section 3. The purpose of the proposed partial replat is to reconfigure Reserve B of Lexington Heights, Section 1, in order to create 79 residential lots, 4 reserves, and 4 private right-of-ways.

Jason Payne, a resident of Precinct 1 and Lexington Heights, is not in support of the partial replat. He listed that one of the reasons he purchased a home in the subdivision was for the green areas and reserve. He was concerned whether the plats will remove those green areas. He also discussed the drainage issues of the subdivision, and he did not believe it to be appropriate for there to be more development when there has been a reoccurring issue with water and drainage.

Richard Funes, a resident of Precinct 1 and Lexington Heights, also spoke to the court with similar concerns as Jason Payne with the lack of water supply, reason to be a resident in the neighborhood, and drainage issues. He also was not in support of the partial replat unless listed issues were resolved.
